INTERNSHIP PROJECT

Intended host university:

Country:

Internship Supervisor:

Period covered by the internship and its duration:

Do you have other sources of funding for your internship?

YES

NON

If yes, please specify which ones and the amounts awarded or expected:

COMMITMENT

If selected for a scholarship, I will:

Carry out a knowledge transfer activity during my stay (e.g., present my research at a conference or seminar).

At the end of my internship, send a short report to ARIV direction on the achievements made during the internship, the benefits for my research project and also in terms of international collaborations.

Mention, in the document filed to fulfill the requirements of the master's program or in the doctoral dissertation, having received this RAIV fellowship.

By checking the boxes above, the student agrees to comply with the conditions of the fellowship.
